

# Washington News Service

2006 ANNUAL REPORT

In 2006, the Washington News Service produced 153 radio news stories, which aired more than 7,599 times on 157 radio stations in Washington and 621 nationwide.

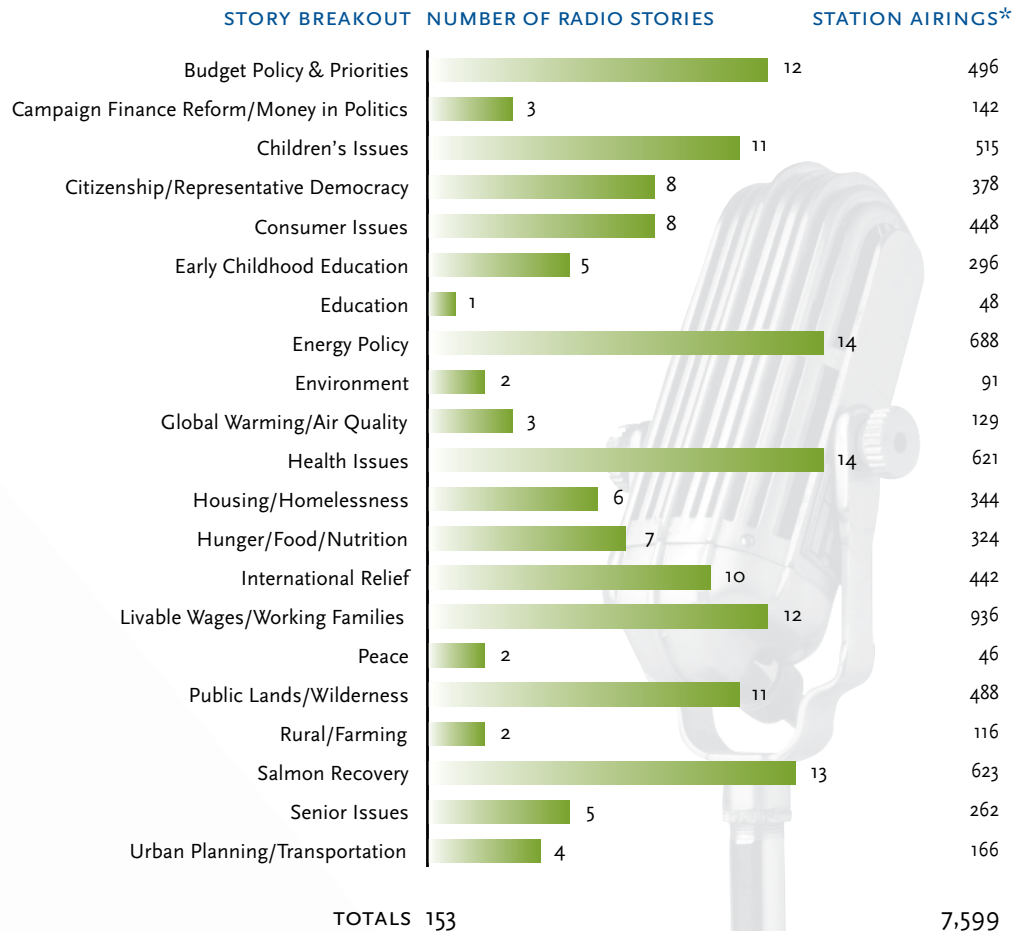

“Convenient, simple, easy to use... Concise, direct reporting...Many of the stories hit close to home and save slow news days...Good source of audio.”

#### WASHINGTON BROADCASTERS

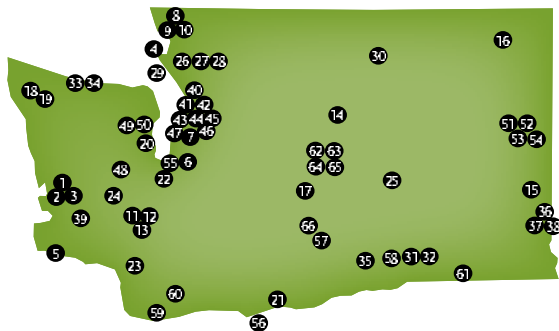

“The Washington News Service provides us an entrée to mainstream media that we can’t get on our own. The service consistently leads the way with timely, accurate stories on topics our constituencies care about and the general public should know about.”

AARON OSTRUM, FUTUREWISE

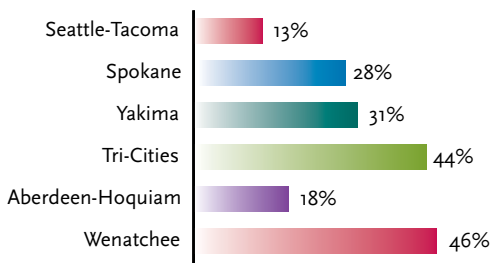

\* Represents the minimum number of times stories were aired.
