

Wyoming News Service

2006 ANNUAL REPORT

In 2006, the Wyoming News Service produced 57 radio news stories, which aired more than 3,293 times on 86 radio stations in Wyoming and 460 nationwide.

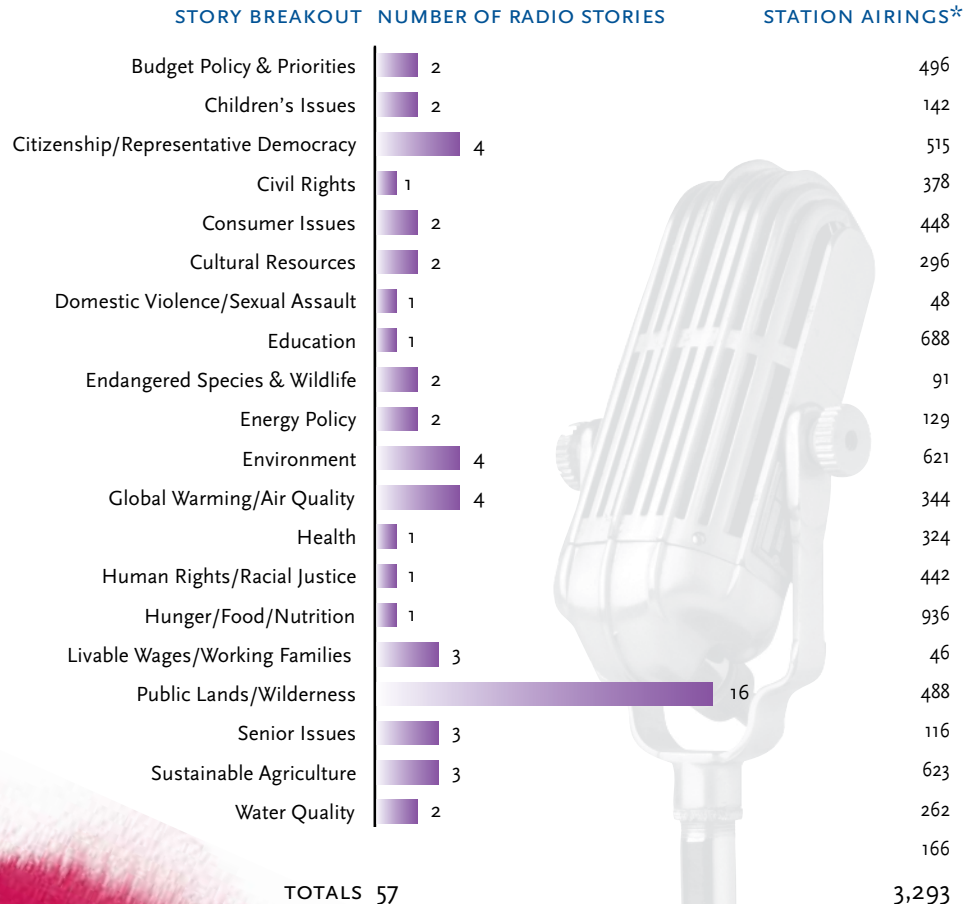

“Convenient to use...Provides extra information...Love it!”

WYOMING BROADCASTERS

“Wyoming News Service enables the ESPC to reach more of the human beings we really work for via the AM and FM stations they listen to at their construction sites and in their offices. The WYNS stories report issues ignored by the mainstream media and points of view often overshadowed by the special interest voices that too often dominate public policy debate in the Equality State.”
