Statewide		Northern News Network
Statewide		Western Citizen

In 2009, Big Sky Connection produced 120 news stories, which ran more than 15,000 times on 157 media outlets in Montana and border states and 1,304 regionally/nationwide. An average of 125 media outlets broadcast and/or published each story on air/print/TV and online.

"If you haven't got a Public News Service going in your state, there's no better time than now." ☉ "Si en su estado no cuentan con la presencia de Public News Service, éste es el mejor momento para conseguirlo."

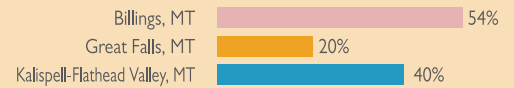

Rick Wilson, American Friends Service Committee

"media savvy and expertise on tap at PNS is invaluable...☉...I love reading your stories...☉...truly value our partnership... timely usage analysis...care, professionalism and results... amazing media outlet...Keep up the good and important work...my very strong recommendation for the Public News Service as it expands."

"PNS es una raya en el agua, dentro del torrente de los medios."

BSC Market Share Information

Additionally, 137 stations outside the major markets aired the stories.
