						Statewide		Colorado Public Radio

In 2009, Colorado News Connection produced 135 news stories, which ran more than 6,200 times on 108 media outlets in Colorado and border states and 1,258 regionally/nationwide. An average of 46 media outlets broadcast and/or published each story on air/print/TV and online.

"If you haven't got a Public News Service going in your state, there's no better time than now." ☉ "Si en su estado no cuentan con la presencia de Public News Service, éste es el mejor momento para conseguirlo."

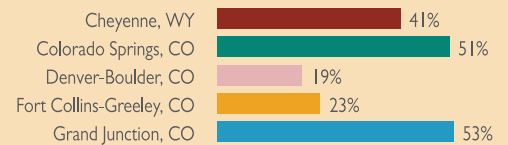

Rick Wilson, American Friends Service Committee

"media savvy and expertise on tap at PNS is invaluable... ☉ ...I love reading your stories... ☉ ...truly value our partnership... timely usage analysis...care, professionalism and results... amazing media outlet... Keep up the good and important work...my very strong recommendation for the Public News Service as it expands."

"PNS es una raya en el agua, dentro del torrente de los medios."

CNC Market Share Information

Additionally, 79 stations outside the major markets aired the stories.
