In 2009, Florida News Connection produced 136 English and 6 Spanish news stories, which ran more than 2,700 times on 187 media outlets in Florida and border states and 461 regionally/nationwide. An average of 19 media outlets broadcast and/or published each story on air/print/TV and online.

"If you haven't got a Public News Service going in your state, there's no better time than now." ☉ "Si en su estado no cuentan con la presencia de Public News Service, éste es el mejor momento para conseguirlo."

Rick Wilson, American Friends Service Committee

"media savvy and expertise on tap at PNS is invaluable... ☉ ...I love reading your stories... ☉ ...truly value our partnership... timely usage analysis...care, professionalism and results...
amazing media outlet... Keep up the good and important work...my very strong recommendation for the Public News Service as it expands."

"PNS es una raya en el agua, dentro del torrente de los medios."

FNC Market Share Information

Additionally, 109 stations outside the major markets aired the stories.
